

LIFEGROUPS

Discover your good life.

WHY is it important to me?

We believe living life to the fullest requires growing relevant and accessible relationships. In these we are strengthened in difficult seasons, celebrated in happy ones, and given opportunity to love others well.

WHAT is it?

Life Groups are small groups of up to 12 people that meet regularly in order to connect around a common interest. Developing these friendships is a fun, intentional way to share strength and purpose as we navigate life together.

WHEN and **WHERE** do they meet?

Individual Life Groups meet at different times and places based on each group's particular interest. New groups start each 12-13 week semester, making it easy to get involved at any time.

OUTLINE of group.

Pray together. Read a Scripture. Have fun.
